**4.0 A. New Business:**

**1) SPSA Allocations & Planning**

**Huddleston provided everyone with a copy of the SPSA allocations.**

**A discussion about more field trips came up. For instance, Fort Brag and a Capitol visit, SMUD etc. McChesney expressed how transformative Fort Brag is and how our budget should always center students first. Members agreed, however there were concerns about field trip supervision. It was suggested that maybe we can bring speakers to campus to expose more students. Nonetheless, the majority agreed field trips should be prioritized because we cannot replicate on campus what students experience in different field trip settings.**
